授業の 概要	This course will provide a chance to practice English communication situations discussed in other Hirosaki Gakuin practical English courses. Upon completion of the course, students will be able to discuss likes and dislikes, tell about past and future events, as well as hold everyday conversations in English.										
到達 目標	English Conversation II is a situational, dialogue-based course for beginning students of English. Each lesson teaches modern English vocabulary; each student will have many chances to practice all four skills (listening, speaking, writing, and reading) while learning how to speak authentic American English. Feedback will be provided weekly by the teacher. This course is designed to increase one's communication ability.
