Christmas Party

On December 4th the annual Hirogaku Christmas party was held. A big thank-you to everyone who participated in our socially distanced party! This year due to the continuing pandemic, things were a bit different.

The evening began by setting up Christmas trees to place around campus. These trees can be seen in the main entrance to building one, the entrance to the learning commons. There is a tree in the library, the student lounge, and on the third floor.

Next, there was a true/false Christmas quiz. Students at English lunch worked hard to make these questions. Some of the questions even stumped the teachers! This was followed by Christmas Bingo.

The evening ended by singing (the first verse only) of some Christmas songs. We hope that next year we can get back to normal with an even bigger and better Christmas Party. Thanks to everyone who came and made the night so much fun!

Student Lecture Series is finished for 2020!

Thank you to both the presenters and all of the students who came to listen. This year we heard about study abroad in Ireland, America, and Korea.

Announcements:
